

KAREN HUDES – POPE FRANCIS

Pope Francis is the problem, unfortunately. His words are meant to deceive, and for no other purpose. Many of the Catholic faith are aware.

Here are three broadcasts on Russia Today TV:

10/7/13 <http://rt.com/shows/sophieco/world-bank-us-shutdown-820/>

10/29/13 https://www.youtube.com/watch?v=v1vXhqO1_2A 29/10/13

Here are articles in the German press: <http://www.larsschall.com/2013/05/08/governance-issues-at-the-world-bank-a-security-risk-to-the-world-order/>

The rest of the world's Finance Ministers understand the problem and they are helping eradicate this evil from the human race.

Get your mind wrapped around what this means if you want to be part of the solution.

Sincerely,

Karen Hudes

> I would like to direct your attention to the following website which encompasses all your concerns with the banking cartel. Of particular note is the motu proprio of Pope Francis on 11th July 2013 and which came into effect on 1st September 2013.

> This is referred to in the Second Letter Rogatory to the UK Home Secretary on 29 October 2013 and part of that letter reads:

>

> The snakes of Medusa ('public servants', 'bankers', legislators, 'lawyers', members of the bar association, spooks, priests, etc., including but not limited to UN, US, EU, France, Germany and UK and Crown Temple personnel) who propose, enact or enforce legislation that restricts the movement of God's people, as part of their duties or by covert warfare, shall be dismissed immediately, stripped of passport and all bank accounts and their salaries and pensions given away to refugees from Syria and Africa. As of September the 1st, 2013, there is no legal immunity. See Motu Proprio of Pope Francis.

>

> I hope that you will take the time to have a look at the letters on the site as I am sure that you will be pleased at just what they are achieving and I'm sure that there is a lot of info that you can use to very good effect.

> God bless you for exposing what is going on.
